EVENT WINDS UP TO-DAY

LOCUST VALLEY, L. I., Oct. 16.—As a result of a collision with a motor boat after the race at Poughkeepsie last year the Engle shell, the Provost William Smith, that was the pride of the heart of Vivian Nickalls, coach of the University of Pennsylvania crew, was badly damaged and will not be fit for the varsity to use again in a race. Coach Nickalls, however, declares that the shell has the best of any in America. As he cannot get a new one from England just now he has made arrangements with a boat builder in New York to have a new shell built on the identical lines of the damaged one.

He left for New York this morning to see the builder in order to make sure that this will be the case. In his absence Herbert Shoemaker, who stroked the varsity last year until he was taken sick with typhoid, will supervise the practice.
